You can download the free book from the Amazon website as a physical book or as an eBook. Kindle books have some limitations – such as you must use the Kindle app on your mobile device to read Kindle books. Also, you can't download eBooks on your other mobile devices, tablets, computers, or phones. You can't send a Kindle book you've downloaded to another eReader, tablet, computer, or phone. You can only read your Kindle book on the Kindle app or on your desktop browser." Another way to download a free eBook is to choose the type of book you want to download. Kindle books are available in two formats: public domain books, and Kindle books that are free of any DRM. You can download the free book from the Amazon website as a physical book or as an eBook. If you discover a book you have already read, you can mark it as read, a status that you can then search for when you want to revisit a book youve read. You can also rate books, both in the US and UK versions. Then you can use the books youve read to help you to find other books youre interested in. Amazon.co.uk is one of the biggest bookstores in the world and the Kindle store is pretty good. You can pay for a physical copy in the mail and they send it out for you. I took advantage of the one on the Kindle App. And I was very impressed with it. Its a bit more expensive than that but there is a UK version of this book that you can buy there too.
